

Is Your Student On Course to College?

Make the BEST Colleges Affordable, and Be Certain Your Teenager Takes the Necessary Steps in the College Admissions Process!

College Admissions Process & Scholarship Counseling and Coaching Program (CAPS)

Total Learning Concepts CAPS Program is for high school students who desire to have a professional counsel and coach them through the many important tasks necessary to insure the admissions to their college of choice. Included in our advisement is important information regarding finding scholarship money for college and how to reduce college costs.

COMPLETE PROGRAM INCLUDES:

- **32-hours of in-person college counseling sessions covering the 9th through 12th grade years**
- **Ongoing college coaching and monitoring to keep the student on track and accountable for the many college admissions process tasks and responsibilities**
- **Detailed college planning calendar for Freshman through Senior years**

College Counseling sessions are conducted in-person by our Founder & Owner and other Director staff members in both of our centers.

PLUS, Coaching of each student is ongoing throughout each school year via phone, email, and skype!

We have only a few openings for each grade level; 9th-12th, in TLC's CAPS program! Private or small group sessions are available.
